EXHIBITION—FIELD “BEACONS”

FIELD MUSIC ARRANGER: Jeff Chambers
FIELD SHOW DESIGNER: Dan Carlson

The Luverne Cardinal Marching Band is proud to present: “Beacons”!
In moments of confusion or despair, it’s easy to feel adrift—overwhelmed by the vastness of the unknown. A beacon serves as a guiding light, cutting through the darkness to offer direction, a steady focus, and a path forward. It reminds us that no matter how far off course we stray, there is always something to lead us home. Inspired by the treacherous waters of the North Sea, Beacons brings an ocean aesthetic to the field, anchored by a central lighthouse prop. You will follow our journey from a ship leaving port, through getting lost in rough waters, to finally being guided safely back home by the light.

Our show features original music and arrangements by Jeff Chambers, sound design by Tim Mitchell, and includes adapted selections from:

- “Hoist the Colours” by Hans Zimmer and Gore Verbinski
- “The Wreck of the Edmund Fitzgerald” by Gordon Lightfoot
- “Fix You” by Coldplay
- “Light” by San Holo

DRUM MAJORS: Paige Kubesh & Jaiden Klay
