“CONFIDENT”

MUSIC ARRANGER: Tom Wallace & Tony McCutchen

The Garretson 2024 marching theme and song is called “Confident”. It is about overcoming your own self-doubt and mistakes. Only through our mistakes can we become better—whether that be in music or just in your daily life. Our everyday experiences make us and shaped us into the people we are today. Because each of us has our own story, personal trials and lessons can ultimately influence the people we will become in the future. Each person has their own transformation, much like the story of the Phoenix.

Our song “Confident” will take you through our transformation from a black and white beginning to a colorful Phoenix ending.
