

**2024
TRI-STATE BAND FESTIVAL
PARADE MARSHAL**

David Smith

The Tri-State Band Festival Committee is proud to introduce our 2024 PARADE MARSHAL...David Smith.

Dave has a long history of service to the Festival... serving on the committee for 36+ years.

He remembers fondly the years when high school band competitions were few and far between. Those were the years when bands traveled several hundred miles to compete and came from as far as Canada.

His best memories were the 10 years that Luverne hosted the US Marine Corps Drum & Bugle Corps as guest band for the competition. For many of those years, Dave served as liaison with the Corps and the Festival Committee.

Dave Smith was proud to serve on the committee because he strongly believed and continues to believe in the purpose...providing the opportunity for high school marching bands of any size to compete in friendly adjudicated competition that is based on providing an educational opportunity in music and performance .
