*Welcome.* . to Luverne, Minnesota and the 61st Annual Tri-State Band Festival!

The Tri-State Band Festival Committee is honored to welcome you to our "hometown" as we celebrate 61 years of high school marching competition.

The standards of excellence that mark this festival are the results of strong partnerships with the Band Festival Committee, City of Luverne, Luverne Public School, Luverne Area Chamber, Rock County, our Business

Community and our Citizens.

The thousands of hours of work and preparation that go into this event are the keystone of Tri-State's success. It takes a community to make an event a great experience for 2,000 high school band students, directors and the public.

The Tri-State Band Festival Committee remains true to the

original purpose of this festival. Sixty-one years ago, a group of passionate citizens pledged to create a marching and field competition that would be a educational experience for student musicians. We are proud to carry out this tradition through the hard work and dedication of everyone in the Luverne community.

The Getman award, judged by the members of the Tri-State Band Festival Committee, represents the grand history of this festival that was created in 1951. Dr. Ken Getman and the other originators of this festival worked to create an annual event that would enhance high school band performance by sharing ideas, innovations, and education through competition. The high standards laid down in 1951 to further band music performance in the tri-state region remain the focus of the Band Festival Committee today. This prestigious award is given in honor and in dedication to these grand principals of excellence.

## 2011 Tri-State Band Festival Parade Marshals MINNESOTA NATIONAL GUARD SERVICE MEMBERS AND MILITARY FAMILIES

Today, the Tri-State Band Festival celebrates 61 years of high school marching band competition.

In the aftermath of WWII, the sounds of military marching bands and parades were an important part of each community. These events brought people closer together and provided the opportunity for the public to express their appreciation for the sacrifice and service of veterans. In 1951 local businessmen joined together for create a community event that would serve that same purpose and benefit youth. The Tri-State Band Festival was born through the efforts of Bob Keitel, Ken Getman, Ferd Luebke and Lloyd Herreid. The Festival brought people together to celebrate our great country and enjoy the marching traditions of schools from the tri-state area.

Some 61 years later we still must come together to express of appreciation of all military veterans who are serving this great nation. Today soldiers are stationed throughout United States and the world to protect and serve the interests of our people. While soldiers "do their duty" they leave behind loved ones who keep the home fires burning - making sure that their soldiers have a place to come home to.

In May 2011, the Luverne and Pipestone National Guard Units along with other units from throughout Minnesota were called to active duty. Today - these men and women are serving the interests of America in Kuwait. They left home to do what they have pledged to do. At home, military families waved good-bye to mothers...fathers...sons...daughters...brothers...sisters...family members. It isn't just the veterans that sacrifice...each family is called upon to serve when their family members are deployed.

Today we are honored to present the 2011 Parade Marshals - NATIONAL GUARD MEMBERS & MILITARY FAMILIES!

Each man, woman and child - whether they wear a uniform or not - are serving our nation and its people.

The Tri-State Band Festival Committee asks you to join us in honoring our Service Members and Military Families. Put your hands together to thank them and honor them for their sacrifice. When you see them on the street, hold out your hand and tell them how much you appreciate all that they do and what they have given up to allow us to live in the **HOME OF THE FREE & LAND OF THE BRAVE!**

LUVERNE MIDDLE SCHOOL MARCHING BAND

The Luverne Middle School band, under the direction of Tyler Woods has 52 members in grades 7 and 8. They have been participating in the Luverne Tri-State Band Festival since 1960. We are proud and honored to act as hosts for the Tri-State Band Festival again this year.

**DIRECTOR:** Tyler Woods

**PARADE MUSIC:** El Zorro by Mike Story. El Zorro starts with a strong opening fanfare, followed by a hot, driving melody. The melody section in the middle provides contrast, all the while building to the return of the Latin-inspired melody for a bold, exciting finish.

## *Luverne School District Welcomes You!!!*

The Luverne Public Schools... students, teachers and administrators... would like to welcome you to the 61st Annual Tri-State Band Festival. We welcome you to our community and to our school facility.

The Luverne Public Schools are a reflection of our community's continued efforts to provide our students with quality educational opportunities and excellent scholastic facilities. We strive to challenge our students to grow and develop into adults who will be ready for the opportunities that life brings to each of us. We feel that education needs to prepare youth for post-secondary

education, military service, community service and the world of work. Our staff members, our parents and our students are second to none. Without their commitment and the support of the community – we would not be able to boast about the success of our students and our educational programs. Our graduates continue to support our school through the Luverne Education Foundation and our local Dollars for Scholars program.

Each year the Luverne Public School looks forward to working with the Tri-State Band Festival Committee to help put together a remarkable day of music and marching together. We thank the

members of the Tri-State Band Festival Committee and the Luverne community for making this day possible.

As you experience this 61st Annual Tri-State Band Festival... we hope that you enjoy these performances as much as we do! We hope you have an enjoyable and memorable day!

#### FIELD MUSIC INFORMATION:

"The Pipestone Area Marching Arrows are the vanguard instrumental ensemble of the Pipestone Area School District that includes the cities of Pipestone, Jasper, Ruthon and students from nearby communities. The Pipestone Area Instrumental Program includes grades 5 through 12, and features four concert bands, two jazz bands, pep band, as well as Team Tuba, Music Listening Team, and other musical groups. The 2011 Pipestone Arrow Marching Band show is entitled "Darkness and Light." This year's show explores the concept of good versus evil, and of our attempts as people to deal with our dueling natures. The show takes us on a journey from our beginnings of light, then descending to darkness and our more primal passions. At the end of our journey, we rise up from the darkness to be redeemed in light. The Pipestone Area Marching Arrows will feature Zach Ploeger (ploit-er), Connor Wacker, Nate Baatz (bots) as soloists and Zach Norwood, Zach Ploeger and Levi Carstensen as a trumpet trio. We hope you enjoy, "Darkness & Light".

- 1.) "Faces of Tragedy" Original music by Jeremy Hegg

- 3.) "Faces of Hope" Music by David R. Holsinger, arr. Jeremy Hegg

"American Faces" is a musical journey through the emotions of the country before, during, and after the attacks of September 11th, 2001. "Faces of Tragedy" starts very much like a typical Tuesday morning; upbeat, full of life, and hurried. The music takes a sudden turn as the life of a country takes a sudden and tragic turn. This original music by Jeremy Hegg skillfully weaves the music of the Shaker hymn "Simple Gifts," providing an upbeat, then dark, framework to the first movement. "Faces of Courage" is a simple, beautiful, and lyric look at the resolve of our country and it's heroes in the dark days and weeks following the attack. It is meant to respectfully represent those who were lost and those who were left to carry on.

"Faces of Hope" reflects the undying spirit and unity of a country. The exciting and uplifting music, featuring a return of the "Simple Gifts" melody, represents a country unified through a common experience and a common determination.

The Brandon Valley Marching Lynx continue their rich history of performing exciting, innovative, and entertaining field shows. In 2010, the band placed first on the field in their class at the Waseca Marching Classic, and the Tri-State Band Festival. They were parade sweepstakes champions at the Waseca Marching Classic, and the Tri-State Band Festival. The Marching Lynx also earned the "Triple S" Spirit Award in Class AAAA at the Dutchman Field Championships.

The Marching Lynx are part of a comprehensive program that includes three concert bands, two jazz bands, and numerous solo and ensemble opportunities.

**FIELD MUSIC:** Minimally Speaking

**SHOW:** The Aberdeen Central high School Golden Eagles Marching Band is proud to present its 2011 field show – “MINIMALLY SPEAKING.”

The show opens with “NEWRHYTHMICS” which takes a four-note motif, intricate rhythms, unique harmonies, and driving percussion to begin this fantastic adventure.

“LAYERS” is a mysterious, song-like work, which creates a shimmering effect highlighting the woodwinds and the mallets before a powerful brass build near the end, creating a truly dramatic moment.

The show will close with “ECHOES.” This dynamic production uses a driving rhythmic ostinato, brilliant brass lines, and block chordal statements helping bring the show to a huge, dynamic finish.

And now, the Aberdeen Central Golden Eagles Marching Band presents its 2011 field show – “MINIMALLY SPEAKING.”

## 2011 Button Design Winner - BETSABE INSFRAN

Artistry and creativity come from throughout the globe. The 61st Tri-State Band Festival button is proof of that statement. The Tri-State Band Festival

Committee is honored to announce the winner of the 2011 button competition – AFS Exchange Student – BETSABE INSFRAN. This is the first time that the Tri-State button design winner is a foreign exchange student.

Betsebe is from Encarnacion, Paraguay. Encarnacion is located in the southern part of this South American paradise. Betsebe spent the 2010-2011 school year at Luverne High School with AFS parents Keith and Melanie Petersen. Her artistic and creative talent may come from her mother, Nora. Nora Insfran is an architect.

Our button design winner returned home to Paraguay in July 2011 just in time to complete the last four months of her senior year in high school. She plans to attend college next year and will focus on a medical education. We all wish button design winner – BETSEBE INSFRAN – our best wishes that all of her dreams may come true!
