The Getman award, judged by the members of the Tri-State Band Festival Committee, represents the grand history of this festival that was created in 1951. Dr. Ken Getman and the other originators of this festival worked to create an annual event that would enhance high school band performance by sharing ideas, innovations, and education through competition. The high standards laid down in 1951 to further band music performance in the tri-state region remain the focus of the Band Festival Committee today. This prestigious award is given in honor and in dedication to these grand principles of excellence.

# *Welcome.* to Luverne, Minnesota and the 66th Annual Tri-State Band Festival!

The Tri-State Band Festival Committee is honored to welcome you to our "hometown" as we celebrate 66 years of high school marching competition.

The standards of excellence that mark this festival are the results of strong partnerships with the Band Festival Committee, City of Luverne, Luverne Public School, Luverne Area Chamber, Rock County, Business Community and Citizens.

The thousands of hours of work and preparation that go into this event are the keystone of Tri-State's success. It takes a community to make an event a great experience for 2,000 high school band students, directors and the public.

The Tri-State Band Festival Committee remains true to the original purpose of this festival. Sixty-five years ago, a group of passionate citizens pledged to create a marching and field competition that would be an educational experience for student musicians. We are proud to carry out this tradition through the hard work and dedication of everyone in the Luverne community.

**Let the drums roll...

## 2016 Tri-State Band Festival Parade Marshals - TOM AND LOLA HAUGEN

The Tri-State Band Festival Committee is honored to introduce our Festival's 2016 Parade Marshals TOM AND LOLA HAUGEN.

Marching bands have always been a big part of the relationship between this husband and wife. The couple met while attending Luther College in Decorah, IA and playing together in the Luther Concert band. Tom became an acclaimed music educator and Lola became an outstanding elementary educator.

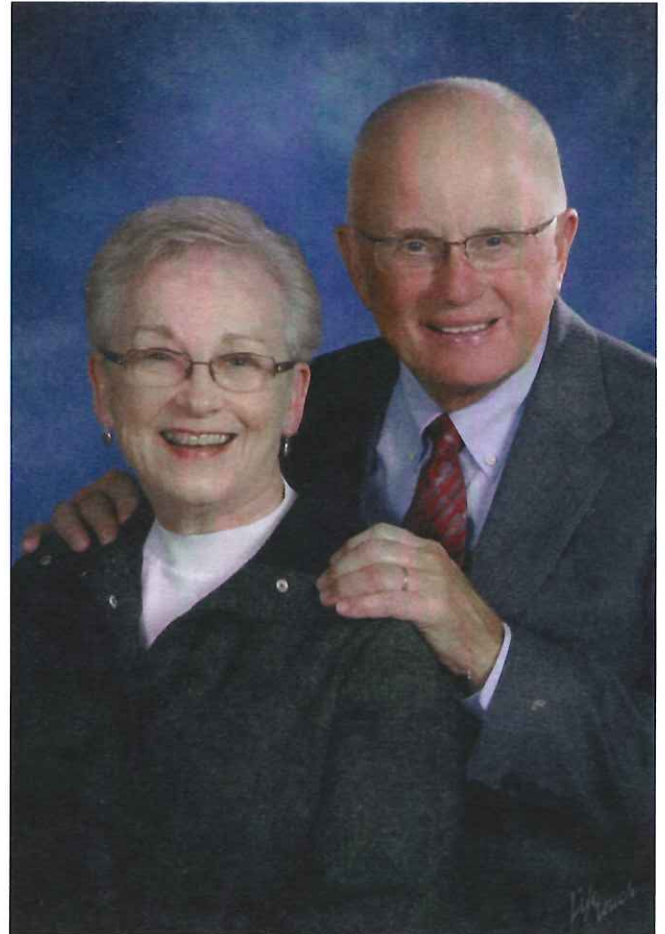

In 1965, a young band director named Tom Haugen moved to Luverne to direct the Luverne School band program. After six years, he had developed a marching and concert band program in Luverne second to none!

Tom left Luverne in 1971 to accept a teaching position in the Twin Cities, and Lola began her full-time elementary teaching career working in districts throughout Minnesota and Iowa. Both Tom and Lola have retired from full-time teaching and are now student teacher supervisors for Luther College in Decorah, IA. Tom was honored to be named to the Minnesota Music Educators Hall of Fame in 2011 and recently was presented the outstanding Music Educator award for Section IV by the National Federation of High Schools. (Section IV includes Iowa, Illinois, Wisconsin, Indiana, and Michigan.)

In 1982, Tom and Lola started a business called Tri-State Band Judges. In the years prior, Tom was called countless times to serve as a judge for music competitions. He recognized the opportunity to build a business where he could bring together music experts from the region to create specialized teams of judging professionals. Prior to this time, festivals and competitions from throughout the region had to find their own individual band judges. Trying to find six qualified people at one time to judge a competition often was one of the most difficult challenges for festival committees.

Tri-State Band Judges became a one-stop shop. The business grew to provide judges for up to 40 summer parades, ten fall field show competitions and up to 20 band clinics annually. Tom also judged solo and ensemble competitions along with large group contests for choirs, jazz, concert bands and orchestras for the Iowa and Minnesota State High School Leagues. He was also involved with judging All-State auditions for 20 years in both states.

Throughout the years Lola served as adviser, scheduler and coordinator for their business. They were a team dedicated to offering top-notch services to their customers.

Tom and Lola announced in 2015 that they had sold their business to Lane and Jennifer Powell. Today the Powells and their team are in Luverne to judge the Tri-State Band Festival.

For the first time in 52 years Tom and Lola can sit back and actually enjoy our band festival without thinking of work and responsibilities.

The Haugens have served the Tri-State Band Festival well! They have given of themselves to help us earn the reputation of being the best high school marching band competition in the Midwest. That is why we honor them!

The Committee would like you to join us in thanking TOM and LOLA HAUGEN for everything they have contributed to our Festival and to marching band programs for over 50 years!

*Luverne Public Schools Welcome You!!!*

The Students, Staff and Administrators of I.S.D. 2184 welcome you to our community and our facility for the 66th Annual Tri-State Band Festival.

Our District is a reflection of our community's continued efforts to provide students with quality educational opportunities and excellent scholastic facilities. We strive to challenge our students to grow and develop into adults who will be ready for the opportunities that we are blessed with throughout life. We feel that education needs to prepare youth for post-secondary education, military service, community service and the world of work. Our staff members, parents and students are second to none. Without their commitment and the support of the community – we would not be able to

boast about the success of our students in our educational and extra-curricular programs. Our graduates continue to be committed to our school as they support the Luverne Education Foundation and Luverne's Dollars for Scholars which offers post-secondary scholarships to our graduates.

Each year the Luverne Public School looks forward to working with the Tri-State Band Festival Committee to put together a remarkable day of music and marching. We thank the members of the Tri-State Band Festival Committee and the Luverne community for making this day possible.

As you experience this 66th Annual Tri-State Band Festival...we hope that you enjoy the excellent performances by marching bands from the tri-state

region. Each band, student and director deserves our heartfelt thanks and applause for their stellar performance and spirit of competition.

## 2016 Button Design Winner - MADDIE DINGER

The Tri-State Band Festival has long partnered with the Luverne High School Fine Arts and Graphic Arts Departments to develop the individual design for each year's competition.

Our 2016 Button Design Winner represents the best in the creative spirit and energy of Luverne Public School. The button is selected in the spring of the year by the Band Festival Committee from art submitted by students in art and graphic art classes. The winner of the button design contest was high school junior, MADDIE DINGER.

Maddie is the daughter of Jessica & Dave Van Batavia and Eric & Stephanie Dinger. She has three sisters and one brother. Family life keeps her busy.

Art and design have long been a passion for this Luverne High School student. Maddie has a passion for working on all types of art media projects including painting. In taking Bill Thompson's graphic design class she found this art form extremely rewarding. In 2015, Maddie was honored to be able to design the state hockey tee-shirt for the Cardinal Girls' Hockey Team. This honor inspired her as she developed the design for this year's Tri-State Band button.

Sports also play an important role in Maddie's high school experience. She skates as a left wing on the Luverne Girls' Hockey Team and plays as a middle hitter on the Luverne High School Girls' Volleyball Team.

In her down time, Maddie enjoys spending time with her friends and enjoying a great Chinese food at Hu Hot.

The Tri-State Band Festival Committee applauds MADDIE DINGER in creating the 2016 TRI-STATE BAND FESTIVAL BUTTON. She joins the ranks with over 60 other Luverne Public School artists in designing a piece of history for our 66th annual marching band festival.

The Oriole Pride Marching Band is proud to present their 2016 show "Wide Awake". Music included "Lullaby" by Johannes Brahms and "Clair De Lune" by Claude Debussy. Music arranged by Spencer Kruse. The show depicts the struggle of someone dealing with insomnia, a condition in which a person has trouble falling or staying asleep. The opening statement of Brahms' lullaby sets the stage for bedtime. A starkly contrasting theme in the low brass follows as the struggle of falling asleep intensifies. The trumpets provide a dreamy soundscape of Debussy's "Clair De Lune" during the middle section. The lullaby theme triumphantly returns in the closer and provides hints that sleep is indeed coming soon.

"Close Encounters":

- IV. Coming Home.

After a countdown, the show blasts off into outer space, experiencing the beauty and splendor of the cosmos. However, things do not continue as planned as we cross paths with unfriendly alien spacecraft. Narrowly escaping their attack, we zoom through the solar system finding solace by the big planet, Jupiter. On the trek back home, we find ourselves in another treacherous situation- this time a meteor shower! We manage another escape and enter back to Earth's atmosphere and make a triumphant arrival back home.
