2018 Button Design Winner - BRIANNA JONAS

The Tri-State Band Festival Committee annually selects a button design from submissions for student artists in the fine art and graphic art programs of Luverne High School.

We are proud to introduce the 2018 button design winner – Brianna Jonas. Brianna is a senior at LHS.

Brianna is the daughter of Brian and Angela Jonas and the big sister to 2 siblings.

When contacted about her winning button design, she was completely surprised. She didn't know her design had been submitted and thought maybe it was the design she submitted in 9th grade! She created her winning design in Mr. Thompson's Graphic Arts class. She enjoys the class and the different projects in which she can demonstrate her creativity. In fact, she enjoys Art so much, she would like to go to College and pursue Graphic Arts. When asked what inspired her to create this year's winning design, she said she just really likes the artistic form of music notes so she decided to incorporate those with a classic marching band image.

Brianna's High School activities have included Tennis, Cheer, Speech and One Act Play. In her down time, Brianna enjoys reading, drawing, movies, and just hanging out with her friends.

The Getman award, judged by the members of the Tri-State Band Festival Committee, represents the grand history of this festival that was created in 1951. Dr. Ken Getman and the other originators of this festival worked to create an annual event that would enhance high school band performance by sharing ideas, innovations, and education through competition. The high standards laid down in 1951 to further band music performance in the tri-state region remain the focus of the Band Festival Committee today. This prestigious award is given in honor and in dedication to these grand principles of excellence.

Welcome. . . to Luverne, Minnesota and the 68th Annual Tri-State Band Festival!

Welcome to Luverne, Minnesota and the 68th Annual Tri-State Band Festival!

The Tri-State Band Festival Committee is honored to welcome you to Luverne as we celebrate 68 years of high school marching band competition.

The standards of excellence that mark this festival are the results of strong partnerships with the Tri-State Band Festival Committee, City of Luverne, Luverne Public School, Luverne Area Chamber, Rock County and the Luverne business community and its citizens.

The thousands of hours of work and preparation that go into this event are the keystone of Tri-State's success. It takes a community to make an event a great experience for 2,000 high school band students, directors and the public.

The Tri-State Band Festival Committee remains true to the original purpose of the festival. Sixty-eight years ago, a group of passionate citizens pledged to create a marching and field competition that would be an educational experience for student musicians. We are proud to carry out this tradition through the hard work and dedication of everyone in the Luverne community.

Let the drums roll...
let the trumpets sound.
Let the flags fly...
and strike up the bands!

2018 Tri-State Band Festival Parade Marshals - LUVERNE MUSIC BOOSTERS

The Tri-State Band Festival Committee is honored to introduce our Festival's **2018 Parade Marshals 1st Battalion, 125th Field Artillery, A Battery, Pipestone/Luverne National Guard**.

The Bloomington-based 1st Armored Brigade Combat Team, 34th Infantry Division, consists of eight major subordinate commands. More than 5,500 Soldiers make up the brigade's combined arms, cavalry, artillery, engineer and brigade support battalions, constituting more than half of the Minnesota Army National Guard's total force structure.

There are eight major support commands that now make up the 1st Armored Brigade Combat Team: Headquarters and Headquarters Company in Bloomington; 334th Brigade Engineer Battalion in Bloomington; 134th Brigade Support Battalion at Camp Ripley; 1st Combined Arms Battalion, 194th Armor Regiment in Brainerd; 1st Squadron, 94th Cavalry in Duluth; 1st Battalion, 125th Field Artillery in New Ulm; 2nd Combined Arms Battalion, 136th Infantry in Moorhead and 1st Battalion, 145th Armor Regiment of the Ohio Army National Guard. The Mankato-based 2nd Battalion, 135th Infantry is a Minnesota Army National Guard Battalion which administratively falls under the 1st Armored Brigade Combat Team but is in an aligned for training relationship with the Iowa Army National Guard's 2nd Brigade Combat Team of the 34th Infantry Division.

The 1st Battalion, 125th Field Artillery, is a Minnesota Army National Guard battalion headquartered in New Ulm.

The 1-125 FA provides artillery fire support to the 1st Armored Brigade Combat Team, 34th Infantry Division. Each of the unit's three batteries field six guns to answer calls for fire. In the 1-125 FA's Headquarters and Headquarters Company, soldiers are trained to assist with targeting and assess the enemy's counter-fire capabilities.

In 2015 the battalion participated in both the Brigade Warfighter exercise and the eXportable Combat Training Capabilities exercise. The battalion underwent extensive training to refine its proficiency in the Military Decision Making Process and Mission Command. Additionally, Soldiers were validated on perimeter defense, mass casualty, tactical convoy, survivability and relocation, and communications. There are six major units in the 1-125 FA: Headquarters and Headquarters Battery in New Ulm: A Battery in Pipestone and Luverne, B Battery in Jackson, C Battery in Fairmont, F Company in St. Peter and St. James and the Headquarters and Headquarters Battery Detachment in Anoka.

The 1-125th Field Artillery motto is "Faithful" and the unit has delivered that service to our Nation, State and local communities.

A Battery is commanded by Captain Chad Arnesen and 1st Sergeant Paul Robinson.

A Battery, Pipestone/Luverne has been a long-time supporter of the Tri-State Band Festival serving this event in many different capacities. None has been more important to the festival than offering safe and secure marching routes for the bands participating in the Tri-State Band Festival Parade as they continue to do this year.

In selecting A Battery, Pipestone/Luverne as the 2018 festival parade marshals…the Tri-State Band Festival Committee honors these extraordinary men and women for their unwavering military service. We ask you to join us in showing our deepest appreciation to each soldier for their service and sacrifice!

Luverne Middle School band is comprised of 7th and 8th grade students from Luverne Middle School. We appreciate the help and support from our community, school, and parents in supporting our band program!

Luverne Public Schools Welcome You!!!

Welcome to the community of Luverne and the Luverne Public School. We thank you for attending the 68th Annual Tri-State Band Festival.

We are very excited to announce the expansion of our campus and updates to our building. The Board of Education is in the finishing stages of planning and preparing for this wonderful enhancement to the School and community of Luverne. The community has graciously shown their support for education by passing a $31 million renovation, remodel, and new construction project. One of the signature pieces will be a new Performing Arts Center. This state of the art facility will be anther indication of the importance of music and fine arts in our community and School. We feel this is a reflection of the commitment Luverne has towards education and fine arts.

The Public School is just one area under construction in Luverne as many new and wonderful opportunities await the citizens and visitors. In the next few years, Luverne expects to house a new shrimp harbor, a new armory, a solar farm, two wind farms, a new apartment complex, a completed bike path through and around the city, the expansion of the John Deere dealership, a pork production plant, and a hog confinement flooring plant. With all of the new construction projects around the community, we are excited to see what the future holds for this thriving little community on the Western Minnesota prairie. It should be fun to watch the progress over the next few years.

The Tri-State Band Festival is a source of pride for our School and community. The School District looks forward to collaborating with the Tri-State Band Festival Committee to provide the absolute best experience for the marching bands. We hope you enjoy all of the wonderful marching band performances and appreciate all the dedication, hard work, and competitive spirit of the directors, musicians, and performers. Enjoy your day in Luverne! Come visit us again.

BRANDON VALLEY MARCHING LYNX

PARADE MUSIC: "New World Symphony" was composed by Antonin Dvorak 1893. Influenced by Native American music and African-American spirituals during his visit to America, it is by far the most popular symphony he wrote.

FIELD MUSIC: "The Invention of Wings"
Reverie – Claude Debussy
Fly To Paradise – Eric Whitacre
Original Music – Spencer Kruse

The 2018 Marching Lynx present "The Invention Of Wings" with a musical and visual interpretation of finding freedom. In a tortuous, yet brave journey, the members of the Marching Lynx combat against evil and injustice, and in an exquisite display of creativity, the members weave together a quilted fabric of courage and hope. A conversation about freedom and the pursuit of happiness unfolds to a musical soundtrack of Claude Debussy and Eric Whitacre arranged by Spencer Kruse.

"The Invention Of Wings" brings together the 125 bold and talented members of the Brandon Valley Marching Lynx in a performance of music and motion. The field becomes a canvas for the Marching Lynx to offer a fearless glimpse into human struggles. An intense longing to have a voice in the world encourages the members to soar towards freedom through "The Invention Of Wings."

PARADE MUSIC: "EYE OF THE TIGER" by Aaron Guidry and Patrick Lyons

Brookings Bobcat Band continues to march parades as a very important extension of a comprehensive band program that includes two concert bands, 2 jazz bands, winter drumline, winter color guard, solo and ensemble season, athletic pep band, healthy all state band and all state jazz band participation rates and a strong leadership team component

FIELD MUSIC: "Connected, Disconnected" composed by Aaron Guidry, orchestrated by Carol B. Chambers.

Our 2018 Field Show is inspired by Survivor's "Eye of the Tiger", Fiona Apple's "Hot Knife," and Aaron Guidry's "The Apple of My i." Using a 5-note theme throughout the work, similar to Charles Ives' "The Unanswered Question", we ask "Does technology connect us... or have we become disconnected?"

In this digital age, the world is at our fingertips. We CONNECT through texting, email and social media. But are people's EYES so fixed on technology that we're disconnecting from each other? When is the last time you made "EYE" contact?

HURON TIGER MARCHING BAND

FIELD MUSIC: "Shattered" – Music by Gary P. Gilroy

Everyone knows the feeling of dropping a mirror onto a hard surface, and it shattering into a million pieces. These pieces of broken glass consist of all different sizes of jagged edges and sharp corners. As you stare at the pieces laying on the ground, you see your own face reflecting back at you, wondering how this could have happened. Finally after understanding the unfortunate circumstances, you then remember the curse of bad luck that comes with every broken mirror. With the 3 movements of "Broken Glass", "Reflection", and "Seven Years of Bad Luck", the Huron Tiger Marching Band present, "Shattered."

PARADE MUSIC: "Cheyenne" by Mike Story

"Cheyenne" is a powerful western-flavored original composition by Mike Story. Bold melodies and strong harmonies join together to paint a colorful picture of the Wild West.

FIELD MUSIC: Music from the "Interstellar" soundtrack by Hans Zimmer (arr. Spencer Kruse), "Space Oddity" by David Bowie (arr. Spencer Kruse), original music by Spencer Kruse.

The Oriole Pride Marching Band is proud to present their 2018 show "Interstellar Message." Since the beginning of time, humans have been intrigued by outer space. In 1977, NASA commissioned a project called the Voyager Golden Record. The goal of this project was to compile the most significant elements of Earthly culture, with the intent of sharing humanity with whatever life might exist amongst the stars. The bold and talented members of the Oriole Pride Marching Band tell the story of curiosity-driven humans desperately trying to make contact with unknown galactic entities. The show culminates with the band sending their "Interstellar Message" into space.
